

The Declaration of the Cooperative Auditing Department On Intention of Integrity on Administration

To promote the country's administration with good governance, to prevent and to suppress corruption as well as misconduct in public sector are Thailand's main policies written in the strategies according to the Twelfth National Economic and Social Development Plan (2017 - 2021) consisting of National Strategies concerning National Anti – Corruption Strategy phase 3 (2017 - 2021). I, as the Cooperative Auditing Department's Administrator, realize how important the mentioned topics are. I, therefore, pledge to manage and operate the missions with honesty, transparency, morality and adherence to the organizational culture which is “Audit with Transparency, Standardization and Cooperative Development”, as follows :

1. Transparency : To openly provide upon request the Department's information and facilitate people to be accessible the Department's data on procurement. Stakeholders can take part in inspecting work operation in order to improve the procedure to be convenient, fast, equal, transparent and fair.

2. Accountability : To manage and operate its missions in accordance with the practice of good governance, and to be responsible for work performance and administration.

3. Corruption – Free : To promote administrating and work performing to have morality and ethics in order that the Cooperative Auditing Department is free from abuse of policies or functions without cronyism and bribery.

4. Integrity Culture : To promote culture standard of value of integrity by complying with measures of prevention and corruption suppression as well as preventing conflict of interest.

5. Work Integrity : To cultivate personnel's value of honesty. They must be inherent to integrity in areas of human resource management, budget management and other work assignment.

Given on February....., 2018

(Mr. Opart Thongyongk)

Director – General

Cooperative Auditing Department
