

CAD hosts “Thailand Cooperative Movement and the World Beyond: Lesson Learned on German Raiffeisen” international workshop

The Cooperative Auditing Department (CAD), on 27 September 2012, hosted the international workshop “Thailand Cooperative Movement and the World Beyond: Lesson Learned on German Raiffeisen.” CAD Director-General Mr. Chakgree Sutjarittum presided the workshop, and Mr. Christian Albrecht, an auditing expert from Deutscher Genossenschafts-und Raiffeisenverband e. V. (DGRV), Germany, and Dr. Suntri Laopadchan, professor on management sciences, Kasetsart University, Sriracha Campus, Thailand, act as the workshop’s lecturers.

Amongst the participants are the Chairman of Cooperative League of Thailand (CLT) Mr. Vitoon Naewpanich, the Cooperative Auditing Department officials, and representatives from other organizations such as the Cooperative Promotion Department, Kasetsart University, and Khon Kaen University.

The workshop addressed several matters related to the Thai cooperative and improvement of Thai cooperative as a whole in comparison to the success established by the German cooperative system, with presentations from both Mr. Albrecht and Dr. Laopadchan to provide topics of discussion and information.
