

CAD follows Princess Sirindhorn's Footsteps

(From Thai Rath Newspaper, Tue 22nd March 2011, Section: First Section/-)

Mr. Singthong Chinnawornrungrsee, Director-General of the Cooperative Auditing Department (CAD) reveals that in order to glorify Her Royal highness Princess Maha Chakri Sirindhon for her consistent work in developing children and youths in remote and rural areas. The fair called "3 decades of Children and Youths in Remote and Rural Areas Development initiated by HRH Princess Maha Chakri Sirindhon" will be therefore held by every governmental sector. As one of collaborators, CAD has responded the missions since 1997 until now, especially students' cooperative activity that provides them with accounting knowledge. Students are taught and suggested how to calculate, plan for producing and distribute products. To build up recording habit is an important base for their daily lives. Besides, their family and communities beneficiaries accordingly. The event will be held during 30-31 March, 2011 at Chulalongkorn University where CAD's exhibition of Developing Technology will be displayed. "Accounting is practiceable", will be introduced as well as the book "Moving forwards 3 Decades of Children and Youths in remote and rural areas: Accounting for Sufficient Way of Life according to HRH Princess Maha Chakri Sirindhorn's Thoughts".
